2. Projects currently
  - a. We have finalized the build for the new Brush Rig. –The Radios are in. Fouts is just waiting on Ford for the Chassis.
  
3. Grants
  - a. Safer Act –
  - c. The new AFG application period has opened. Working on that application with the plan of applying for, 22 sets of Turnouts, 22 additional SCBA face masks, 9 Triband mobile radios and 20 pagers. – This has been submitted.
  - e. We did receive a 50/50 matching grant from SDAO for Security to purchase more camera's to be installed in the building next door. Working on.
  - f. Will be working with Murray Paolo on the Homeland Security Grant for Radios. – This grant has been submitted. Update! We have been awarded Part one of this grant which will provide 4-5 new radios for apparatus. Still waiting on Part two. Funds will not be available until September sometime.
  
4. We are still waiting on reimbursement from the State for the Conflagration Fires in the amount of about \$52,000. –We have received the California funds last week.
  
5. There has been one citizen file a nuisance complaint with the City of Yamhill about the backlite portion of the reader board sign. This person is on the City Planning Commission and has been complaining for the last few months at that meeting because the city signed off on the permits for the sign and it did not come before the Planning Commission for their recommendations. The city council has not sent it back to the Planning Commission for review. We went thru all the required permitting process required by the city, county, and federal government to place this sign. (See attached photos that I submitted to City Council regarding other signs in town).
  
6. The Storage building next door in in need of some repairs this summer. Due to the snow and ice, we have the main cover tearing on both ends. Estimate numbers for just the main cover is about \$5,000. Working on obtaining final numbers to replace both ends and the main cover.
  
7. My hours for the month of May:
 

District Work	176.00 hours
Calls	37.75 hours.
Drills	6.0 hours
Class	0 hours
Other	0.0 hours
Total	219.75 hours
