Cadet Firefighter/EMS Parental Consent Form

Dear Parent,

Your son/daughter has applied to become a member of the Yamhill Fire Protection District Cadet Firefighter/EMS Program. The District offers selective student's educational opportunities in Emergency Services. Included with this form is a copy of the District's Policies and Procedures regarding this Program? This is to inform you of the District's Policies for eligibility, training, operations, etc. Applicants must also meet all other objective criteria set by the District for participation in this educational program.

Please understand that the student's education and safety is our primary concern and will be taken very seriously. The student may, however, become exposed to the dangers inherent to firefighting, emergency medical care, and other associated functions.

With and understanding of these conditions, we request your permission and release for the candidate identified. The parent or guardian must consent in writing to this training program and agree to hold harmless the Yamhill Fire Protection District for this activity.

I, _____ hereby grant permission for
