2. Projects currently
 - a. We have finalized the build for the new Brush Rig. – Fouts is just waiting on Ford for the Chassis. Ford still has not released a build date.
3. Grants
 - a. Safer Act – Will be resubmitting in 2023
 - b. The AFG application has been submitted for 10 sets of Turnouts and 23 pagers. Just waiting.
 - c. Murray Paolo is finishing up the Homeland Security Application for Phase 4 of the District Radio Project. – We have placed the order for the Radios that we were awarded in the Phase 3 Project. The state has advised that it will be about 3 months before we see the reimbursement.
 - d. The district was awarded the SDAO Grant for \$6,240 which is a 50/50 grant for cybersecurity. Will be finalizing the equipment and ordering this month. The Server has been ordered and should be here in the next week or so. Everything is here and in the process of getting everything up and running. Goal is to be completed within the next 30 days
 - e. Will be submitting the VFA Grant in April for New Pagers. This has been submitted.
 - f. Will be resubmitting the DEQ Grant for a New Brush Rig. Grant is due in June with an award notice in August and funding in November. Currently working on updated quotes and resubmitting last year application.
 - g. I have submitted a grant request to the State of Oregon for 11 I-pads. Received noticed that the district has been awarded 6 I-pads and they should be here by the end of May.
4. Been working on the setup of the new ESO Reporting software. We started doing all Medical and Incident reports on the new software as of January 1, 2022. Currently working on the Inventory and equipment checks piece. Work in progress!

5. This last month we had Pump Testing. We had the bearings fail in Engine 42. Currently working on cost to have this repaired. Local labor cost our estimated at around \$10,000 plus parts. Cascade Fire and Safety quote is \$12,829.00 for parts and labor, but we would need to take the rig to Yakima Washington. Waiting for a third quote from True North out of Hillsboro.
6. We did replace the batteries in Engine 43.
7. I have reorganized the duties of the Assist Fire Chief and added a second Assist Fire Chief to assist with the workload.
C-41 is Trampas Bergstrom who main duty is the Recruitment and Retention, Support Services, the School Program, and the Wildland Training. Along with that is the lesson plans and documentation for both the School Program and Wildland Training.
C-42 Brad Salter main duty is working with Lieutenant Joe Moore and Lieutenant Marci Hedin in planning and executing Thursday evening Training for both Fire and EMS. This also includes the Thursday evening lesson plans and documentation.
