Notification of Ability or Inability to respond to Calls, Drills, Training and Events:

Volunteers who are unable to report to Calls, Drills, Training, and Events due to personal or dependent illness, injury, work schedule, or Family event must use the active 911 app and reply to each item as Responding, Arrived, POV, Available, or Un-available.

If you know that you will be un-available, for an extended period. As in a Family vacation, Family event (New Baby) etc., please let the Fire Chief or his/her designee know by Text, Email, Phone call or in person. This greatly helps in planning when it comes to Drill's, Calls, and Events.
