VOLUNTEER

VOL – 901

Purpose of Volunteer Policies

Issued: June 10, 2014

These policies provide rules and regulations for all volunteers of the Yamhill Fire Protection District (“District”) relative to matters of personnel administration. These rules and regulations are intended to set a general framework for effective personal administration.

These policies replace and supersede all preexisting policies, procedures, guidelines or orders relating to personnel matters of the District and its volunteers. The Fire Chief and officers shall ensure that all existing District procedures and guidelines are consistent with this manual. This policy may be changed by the Board of Directors at any time. These policies do not constitute a contract with District volunteers, nor do they confer “employment” status upon District volunteers.
